BABOR
True Beauty devotees know the ocean has treasures for your skin. One of the most recently discovered 500 feet below the surface of the ocean is the "Sea Bubbles Complex" from BABOR, the newest, most innovative skin care product to be discovered in a decade, and the secret to rejuvenating the skin. The BABOR "Sea Bubbles Complex" contains BABOR's proprietary - SEA BUBBLES™ (SEA BUBBLES™ ingredient harvested from 700 feet below the Pacific rim) - with pearl protein and sea silk, to strengthen the skin's natural ability to defend itself against the damage caused by stress, pollution and free radicals. The energy of the sea is concentrated in a high-tech formulation. For more information please visit www.babor.com
