Your Favourite Things

Wish readers share their best beauty finds old and new. Here's a list of your must-haves and can't-live-withouts

ALL DAY

"After trying many cleansers, I find **Marcelle Aquarelle Oil-Free Purifying Cleansing Gel** (\$13) to be the best I have ever used. My skin has never looked or felt better." – Wendy, 35, Montreal

SILKY SMOOTH

Sher Foundation
"I love **Laura Mercier Tinted Moisturizer SPF 20** (\$55). It evens your skintone while leaving it silky, soft and protected." – Stefanie, 34, Toronto

FRESH GLOW

"I get so many compliments on how great my skin looks after using **Dr. Brandt Lineless Cream** (\$145). It smells fresh and the sheer colour gives my skin a soft glow." – Penny, 62, Calgary

BEYOND GOOD

Avon Beyond Eyeshadow
"Avon Beyond Color Radiant Lifting Eyeshadow (\$9) dries quickly, stays well and doesn't collect in the crease. The price is excellent, too." – Gayle, 50, Pickering, Ont.

NIGHTLY FIX

Eye Serum
"**Elizabeth Grant Extra Strength Dark Circle Eye Treatment** (\$30), which I buy online at The Shopping Channel, contains vitamin K and Torricelum. I've never found anything that actually removes dark circles under the eyes at any store. I am extremely pleased with this, as it has lightened the skin under my eyes a lot and firmed the area. I put a dab on overnight so that during the day I don't need to use it. Worth every penny." – Wish Forum User

SOFTENED

Hand Cream
"I think **L'Occitane Hand Cream** (\$28) is the best. It's a bit pricey, but I only use it before going to bed so that it lasts a while." – Wish Forum User

LUSCIOUS LASHES

Mascara
"**Cover Girl Professional Mascara** (\$7) is a favourite of mine and many of my friends. No raccoon eyes, even for someone with oily skin like mine!" – Jocelyn, 41, Winnipeg
